

We Invite You to share Our Celebration of Dance

Once again Dancesport of UCR is delighted to extend an invitation to our Fourth Annual Ballroom Competition. This year we expect a record number of participants and spectators. Scintillating performances from Mikhail and Olga will highlight the evening's Showcase. It will be an opportunity for everyone to enjoy the fun and festivities at this Celebration of Dance.

Ballroom Dancing continues to generate increased excitement thanks to a number of television programs that have intensified public interest in Dancesport. Increased participation in the Orange Blossom Ball reflects this trend for 2007. We have a great facility with an enormous practice floor. Our program offers opportunities for amateur dancers at all levels to participate in couple and team competition and for the public to witness firsthand the thrill of these events.
